KGN SHIPPING

— SWIFT SOLUTIONS FOR EVERY CARGO —

KGN SHIPPING: is a fast-growing NVOCC-Box Operator and International Freight Forwarding company headquartered in Mumbai, India. With a strong global network, we provide end-to-end shipping, logistics, and supply chain management solutions to businesses worldwide. Backed by a team of highly experienced professionals from the shipping and logistics industry, we are committed to delivering excellence, efficiency, and reliability in all our services. Our expertise spans freight forwarding, customs clearance, warehousing, transportation, and project cargo handling, ensuring seamless operations for our customers.

Our Services:

❖ NVOCC – Box Operator

We provide **Non-Vessel Operating Common Carrier (NVOCC)** services, ensuring smooth containerized cargo movement across global trade routes with strategic partnerships and advanced logistics solutions.

❖ Freight Forwarding

Our air, **sea, and road freight** services ensure the cost-effective and timely transportation of goods. We offer end-to-end logistics support, including consolidation, multimodal transport, and documentation assistance.
